jects and even at shadows when they might be given to investigate the men realize their lost condition. Desperate and measures to be brought before it for efforts are being made to conciliate the action. There has been, so far, no un-Tammany Hall faction of the New York | seemly haste, nor will there be during Democracy, and it is heralded over the the sitting of the convention-no display country that Tammany is in line this of bossism, as at St. Louis. The Repubyear, which circumstance "insures the lican party of this country is made up of party thirty thousand majority in the units, not masses. It has always recogcheap, but it don't count against facts, and acknowledged their right to be as the Republicans will demonstrate at heard, in praise or condemnation of the election.

HISTORY REPEATS ITSELF When Presidential Candidates Have Competed Twice, the First Loser

Was the Last Winner. Here is a little food for political thinkers, especially for those who have been saying that Mr. Blaine, if he should be nominated, can not beat Mr. Cleveland this year, because the latter defeated the former four years ago. To these gentle-

General Jackson received one hundred and seventy-eight electoral votes to eighty-three for Mr Adams.

and thirty-four electoral votes to only house, and allowing the Democrats a sixty for Mr. Van Buren.

KANSAS BERSELF AGAIN.

The rains of the three past days in some places in Kahsas were terrific in force and abundant in volume, Railroads have been washed out, telegraph wires blown down and rivers and creeks filled to the brim, A regular cloud burst seems to have occurred up the great Arkansas a few miles, and the rising rapidly yesterday also. Kansas seems herself again.

LIVE STOCK ADVANCING

Not only is Kansas to have big crops with the promise of a Republican adour associated press report for yesterday | ministration once more, but the price of at the Kansas City and Wichita markets have been quoted all the way from \$5.00 to \$5.50, \$5.90 and \$5.00 within the week. The thousands of fat steers in southwest were unknown previous to Cleveland's Kansas, fat as butter, are now ready for the market. The advance of the past ten days means simply millions of dol-The Republican convention saw the lars to the pockets of Kansas farmers crumb thrown to the Californians by the and stock men, many millions of dol-

AN UNCERTAIN QUANTITY.

ber will be considerably larger than was the case four years ago. If the population of the country has increased 7,000,-Mrs. Laura M. Johns, who parts her hair on the side like a man and who hankers for suffrage and other male pre-thankers personnel of the nation will be still greater than its increase. Such of the torney General Bradford is in Wyan- be divided politically much as their fath- ment, as is shown by the records. It centennial. All the nations of the town is Conover's stable, a large stone party by family tradition, formal affiliation or political habit.

THE RIGHT OF GOVERNMENT.

Through the persistent efforts of the offered an amendment to the Mills bill ago, but it was not until the Republican terests of the country. prohibiting the entry of foreign goods party came into power that the United States was able to enforce it. Now that was defeated by a strict party vote-97 it has been conceded by other nations Republicans voting for the amendment | that their citizens may renounce their allegiones and become citizens of this country, it is proposed by the Buffalo "I am opposed," Samuel Randall, of statesman that persons may, nevertheless, be extradited for political offenses, day, "to favoring a foreign country at Under such a treaty the eloquent Hunthe expense of our own." That is sound garian patriot, Kossuth, would have been Republican talk. So say we all of us, sent back to suffer death as a traitor. But, the Hartford Courant pertinently Under such a treaty that great and good asks, if those are Mr. Randall's senti- mugwump. Carl Schurz, would never ments, what is he doing over there have been permitted to turn traitor to among the protection-hating Democrats? the party which had given him the highest office which could be conferred upon fear. Such doctrine is hardly consistkind of sphinx Judge Gresham is. In ent with the boast that this country is order to be rid of the importunate inter- the asylum for the downtrodden and oppressed of every land.

THE CONVENTION.

The Republican national convention, in session in Chicago, has shown a disposition from the very first to make Drowning men catch at very small ob- haste slowly in order that full time Empire state in November." Brag is nized the individuality of its members either men or measures, at all times willing to trust the people instead of The flag business is giving Mayor seeking to drive them. It is because of Hewitt of New York City as much this distinctive feature of the party that a foolish notoriety. trouble, since he has gotten the trouble the people for a quarter of a century started, as Mr. Cleveland experienced stood by it, and because of this feature from the same cause last year. The that the thousands of well-meaning men

candidates will be presented by their servants at Chicago, and that the men who are nominated will be servants, not the masters of the party.

Great are the uncertainties and alarms of war. Marmaduke of Missouri is no more, with Martin and Murray Myers in Chicago. Adjutant General Campbell's ambition makes the mother of the mithis year, because the inter decated the former four years ago. To these gentlemen we desire to quote a little instory, which at the present moment, is most entertaining reading.

In 1796, John Adams got 96 and Thomas Jefferson got 73 and John Adams 65. Aaron Burr also had 73 and the election being thrown into the house of representatives Mr. Jefferson was elected, receiving the votes of ten states while Burr got them from four.

In 1824 the electoral college failed to elect either Andrew Jackson or John Quincy Adams, and the election was made in the house of representatives. Mr. Adams received the votes of thirteen states, while General Jackson received those from seven states. In 1838, low-ever, the result was reversed, when General Jackson received one hundred decay and the states and th litia boy to mourn Sam Wood's way-

The Mills tariff bill contains thirteen hundred and eighty-two lines. Congress Another instance was in 1836. Martin has been in session more than six Van Buren received one hundred and months and only about one hundred lines seventy electoral votes to General W. H. of this great tariff reform measure have Harrison's seventy-three. In 1840, how- been passed upon by the committee of ever, turned the tables on Mr. Van Bu- the whole.
